1 Usage

The `ArticleToDelete` template is used **to request the deletion of a page**. It should be added as the very first line on the page that you believe should be deleted from the wiki.

It puts a message box with a "pink garbage can" icon in the page, and adds this page to the `Candidates for deletion` category.

Wiki maintainers periodically have a look at this category, and delete the pages that belong to it.

```
Usage:  {{ArticleToDelete | <reason> | <signature>}}
```

Where `<reason>` and `<signature>` are **mandatory** parameters:

- `<reason>` is the reason supplied for the deletion
- `<signature>` is the signature of the requester. It is recommended to use `~~~~` wiki markup to sign the request
