## 1 Usage

---

The *Warning* template is used **to warn on a particularly important point**.

It puts a message box with a "pink warning" icon in the page.

```
Usage: {{Warning | <message>}}
```

Where **<message>** is the **optional** warning message. If this parameter is not set, the default message is "Please read carefully".

## 2 Basic examples

You type	You get
Warni ng witho ut specif ic warni ng mess age  { { W a r n i n g } }
