STMicroelectronics embedded software architectures

*What are the software architectures - Linux® and RTOS?
What is the role of each kernel component?*

Click on the links in the frame below and let you guide!

Linux® is a registered trademark of Linus Torvalds.

Real Time Operating System
Stable: 26.03.2021 - 11:32 / Revision: 12.03.2021 - 11:07
