1 Usage

The **Android** template is used **to store, in a page, information that is related to the Android™ distribution**.

It puts a message box with a "green Android" icon in the page, adds this page to the **Android** category.

```
Usage: {{Android | <message>}}
```

Where **<message>** is the **optional** information related to the Android™ distribution. If this parameter is not set, the default message is "Below information is related to the Android™ distribution".
