

Template:GSStepNext

1 Usage

The `GSStepNext` template is used **to highlight other steps than the one currently presented** in pages of the "getting started" zone, with the STMicroelectronics brand color shade of medium grey (■).

```
Usage: {{GSStepNext|<text (step name)>}}
```

2 Basic examples

You type

Step that is not the one currently presented

```
{{GSStepNext|Hello world!}}
```

You get

Hello world!

3 Code

```
{{{1}}}
```
