1 Usage

The `InternalInfo` template is used **to store, in a page, information that are restricted to STMicroelectronics employees** (and therefore useless for any other reader): configurations specific to the STMicroelectronics network, links to internal resources (e.g. video files) etc.

It puts a message box with a "dark blue be.ST" icon in the page.

Only signed-up users who have writing permissions, can see this box. However, do not put any confidential information in the parameters of this template.

```
Usage: {{InternalInfo | <message>}}
```

Where `<message>` is the **mandatory** internal info message.

2 Basic examples

You type

Internal info

You get

```
{{InternalInfo | When connecting to the
STMicroelectronics network, you have to
execute these additional commands: ...}}
```

3 More examples

You type
